Our Environmental Policy Statement

The Company is committed to *Our Environmental Policy Statement* of J. E. Churchill (Plant) Limited trading as Bell Waste Control as presented below.

Bell Waste Control are committed to eliminate or reduce the environmental impact as a result of our undertakings, so far as is reasonably practicable, by :-

- a) Providing resources in the way of a Management Structure to identify all environmental issues relevant to their work.
- b) Planning the most appropriate procedure to address each identified issue
- c) Communicating the company procedures for each issue
- d) Implementing the agreed measures throughout all work locations
- e) Monitoring and review this environmental policy at regular intervals.

In addition, Bell Waste Control will continue to develop an awareness approach to the management of the Company, recognising also that efficient management of energy and resources in materials cuts cost and creates competitive advantages.

Bell Waste Control will continue to develop and practise in-house environmentally caring policies covering its use of premises, sites, plant and other assets. The company will also continue to promote energy efficiency and sound environmentally sensitive practices.

J. J. Churchill

A handwritten signature in black ink, appearing to read "J.J. Churchill", written over a horizontal line.
